OVERALL DESIGN STATEMENT

The landscape design for Fallon Parcel 8 embraces a modern California aesthetic that reflects the region's natural character, climate, and evolving community identity. The plant palette features low-water-use, climate-appropriate native and adaptive species to ensure long-term suitability and seasonal interest. Cohesive hardscape elements, including paving and site furnishings, provide a unified visual language and reinforce a strong sense of place. Pocket parks and pedestrian pathways are thoughtfully integrated to promote walkability, support neighborhood connections, and encourage flexible outdoor uses such as informal play, picnicking, and social gathering.

NOTES:

1. All above ground utilities and trash enclosures will be screen from view. (Reference Zoning Code 8.72.030 A.27)

2. No fence, wall, hedge, sign or other structure, shrubbery, mounds of earth, or other visual obstruction over 30 inches in height above the nearest street curb elevation shall be allowed within a Traffic Visibility Area. (Reference Zoning Code 8.72.030 A.24)

Inclusionary Housing

- 12.5% of the total number of units in the project are required to be set aside as affordable units
- Parcel 7: 10 units (four low-income units and six moderate-income units)
- Parcel 8: eight units (three low-income units and five moderate-income units)

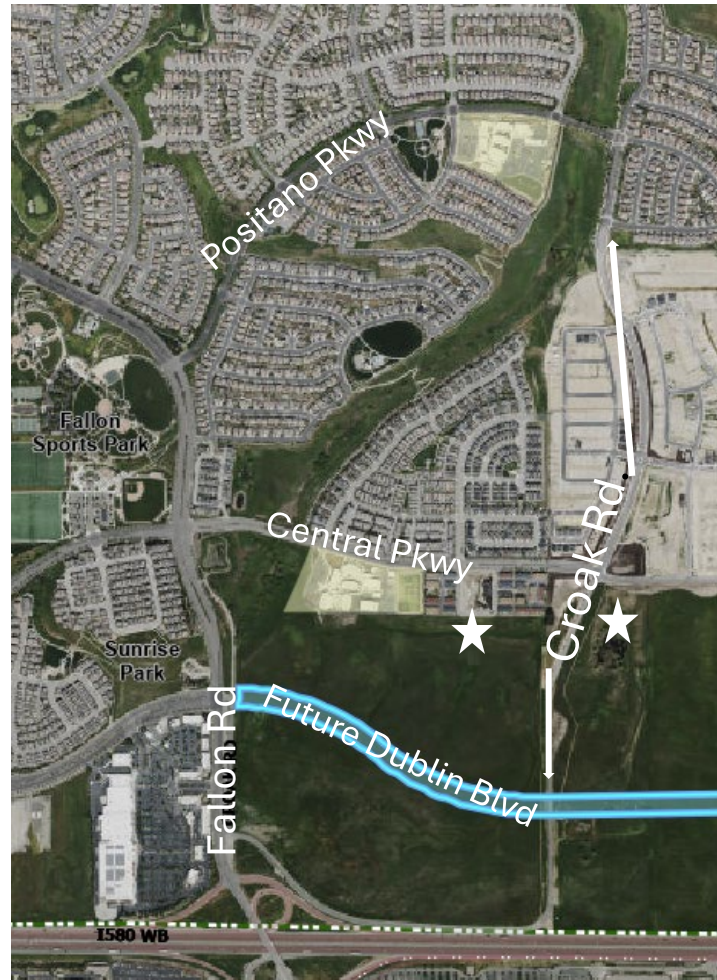

Environmental Review

- Prior CEQA analysis for the project area includes the Eastern Dublin Specific Plan (EDSP) Environmental Impact Reports (EIRs)
- CEQA Addendum was prepared for the larger Dublin Fallon 580 Project which includes Parcels 7 and 8 and found the proposed development to be consistent with the anticipated impacts in the previous EDSP EIRs
- This project is subject to the Dublin Fallon 580 Project Mitigation Monitoring and Reporting Program
